## MAYOR'S WELCOME

Dear Visitor:

On behalf of the citizens of Cincinnati, I am honored to invite you to our great city.

Cincinnati has invested billions of dollars in recent downtown and riverfront development, including the historic Over-the-Rhine neighborhood and The Banks entertainment district.

Summer is an especially great time to visit our city. Cincinnati is host to several music events including Bunbury and the Cincinnati Music Festival, representing a wide diversity of musical styles.

Key Magazine Cincinnati is a great resource for learning about the many attractions we have to offer. With world-class museums and theaters, one of the top five zoos in the nation, touring Broadway productions, incredible architecture, and an array of festivals throughout the year, Cincinnati has something for everyone to enjoy.

Cincinnati will host the NAACP's national convention in July, just one of several high-profile, large events that have called our city home. We are honored to welcome thousands of convention visitors to Cincinnati each year, and know that your decision to visit the Queen City will not leave you disappointed.

I am confident you will enjoy your stay in Cincinnati. Please enjoy our hospitality, sample our many amenities and have a wonderful time. We are glad you're here!

Sincerely,

Mayor John J. Cranley

## COVER STORY

# The Western & Southern Open is back in Cincinnati this August!

**T**he Western & Southern Open hits Cincinnati again at the Lindner Family Tennis Center in Mason from August 13-21, and it's going to be the best place to be this summer.

Of course there's the tennis: with top male players like Novak Djokovic, Roger Federer, Andy Murray and Rafael Nadal and female superstars like Garbine Muguruza, Agnieszka Radwanska and Angelique Kerber, you'll get to witness tennis being played at its peak and with fierce competition.

But there is so much more to the W & S Open! From entertainment and shopping to the finest in dining in Cincinnati, there's something for everyone. If you need a break from the courts, you can relax and listen to the original bands playing on the Dayton International Airport Stage or in the Wine Garden. Not cover bands, but eclectic, award-winning musicians. It's music at its finest.

Hungry? Well good, because there is plenty to eat at the Open! You can definitely find your typical sports-arena food, but if you want a real foodie experience, the Open will have 14 locally-owned restaurants preparing their signature dishes fresh every day – we're talking James Beard-winning chefs, and you won't need a reservation to enjoy it. Feeling like gourmet taco? Hit up Mazunte. Need a little gyro in your life? Kala Greek Grill's got you covered. Try some Chicken Coup Poutine from Revolution, or a turkey pesto panini from Baba Budans. And of course, the gold standards of Skyline Chili, LaRosa's Pizzeria and Graeter's are waiting to bring you the taste of Cincinnati!

So you've watched a few matches, had a snack,

tapped your toes to some tunes, and now you're thirsty. Whether it's beer or bubbles, or anything in between, the W & S Open has what you want on tap. The Miller Lite Legends Bar and Rhinegeist and Christian Moerlein Craft Beer Bars are perfect for those looking for a tasty beer, and the Moët Champagne Bar (the official champagne of the Open) is open for those who feel like toasting the best in tennis and fun. There's also the Robert Mondavi Private Selection Wine Garden, surrounded by award-winning landscaping by LaMond Design as well as first-timer el Arco Tequila Margarita Bar, featuring their signature el Arco Ace Margarita.

Gotta burn off those calories now, so take the time to go shopping at the huge retail center the Open is proud to host. This 20,000 square foot retail plaza has it all, from tennis apparel and gear to jewelry and sunglasses. The giant, air-conditioned Midwest Sports tent will have everything you need to outfit yourself like a tennis pro...even if you're just a ping-pong aficionado. Medella Natural, BANDI Wear, Sweaty Bands are just a few of the vendors you can drop by during your day at the Open.

There's nothing like a day at the Western & Southern Open. But before you head out, be sure to read up on their new bag policy on their website, [www.wsopen.com](http://www.wsopen.com). It's important to know what you can and cannot bring into the Open, so you can have the best day ever. Be a part of this Cincinnati sports tradition – get out to the Western & Southern Open!

## SPOTLIGHT OF THE MONTH

### Kangen Water: A healthier way to hydrate

**D**id you know our bodies are 86% water? And yet, most of us don't know how to hydrate it properly. It's not enough to just drink water, it needs to be the right water. Ground water can leave your body too acidic, as it's treated with chemicals, has a lot of fluoride and often contains parasites. Bottled water can be better, but can be high in bacteria and contaminants and has no trace minerals.

So what to drink to hydrate ourselves in the healthiest way? Try Kangen Water! This new product contains NO chemicals, NO Acidity, and NO bacteria, plus it's high in minerals, alkalinity, antioxidants and can detox your system safely.

Developed in Japan, Kangen Water claims to promote more energy, healthy skin and weight loss. Dr. Yoshinski Matsuo, PhD, Vice President of the Water Institute in Japan, believes that reactive oxygen species (ROS) (free radicals that contain the oxygen atom) cause many types of damage to biomolecules and cellular structure; this in turn can

cause the development of certain pathological states such as diabetes, cancer and aging. He encourages people to drink electrolyzed-reduced water, which is hydrogen-rich and can scavenge those ROS and improve your hydration and health. In fact, Kangen water devices are certified medical devices by the Japanese Ministry of Health and Welfare for use in hospitals.

If you would like to try Kangen Water, and see how you can see an increase in your hydration and overall well-being, contact Colleen Iles at 513-335-5594 or [ilescolleen1@gmail.com](mailto:ilescolleen1@gmail.com). She's an independent representative for Enagic, who makes Kangen Water. There is a free 2 week trial option available, so now is the perfect time to call!

# BUSINESS OF THE MONTH

## Buying a car? Skip the dealerships and try Luxury Motorsports

**B**uying a car can be stressful, and going through a dealership can often end up being more expensive and less satisfying than you want. If you know exactly what you're looking for, skip the dealerships and call Luxury Motorsports instead.

With Luxury Motorsports, all you need to do is tell them exactly what you are looking for, and then they do all the work. They go through their databases of reputable, reliable auction sites and find that vehicle your heart is set on, whether it's a car, boat, ATV or SUV. A broker like Luxury Motorsports has the expertise you need when what you want isn't on the local lot.

Luxury Motorsports will get you photos and ratings on the vehicle they find for you, and then when you give them the go-ahead, they bid on it for you and get it shipped in without you having to worry about a thing. They also negotiate their fee with you up front, so there are no surprises at purchase time. It's the best, most hassle-free way to buy a car.

But that's not all they do. If you have an exotic car you want to sell, bring it to Luxury

Motorsports and they can market it for you. Let them do all the leg work, field the calls, negotiate the sale...you just relax and wait to hear it's been sold.

Cut out the middle man, and call Bill Elam at 513-200-3236 or Tim McGee at 513-383-1586 at Luxury Motorsports. You'll get the car of your dreams with the service of your dreams!
