COVER STORY

Burger Week at Street City Pub, July 12-18

July brings many happy moments with fireworks, pool parties, barbecues, and Burger Week! Hungry burger lovers will treasure hunt their way through the Greater Cincinnati area to discover new burger destinations and favorites. Street City Pub is prepared for the rush. They decided to pay tribute to their sister restaurant, Prime Cincinnati, by featuring a Smash version of the famous Jack Burger.

The relationship between the two brands is strong. Situated in the heart of Central Downtown Cincinnati, they reside side-by-side in the @580 Building on Walnut Street. Menus for both were designed by Chef Shawn Heine. The Jack Burger is named for his youngest, precocious son, Jack.

Just like his son, the burger is memorable and sweet with a Jack Daniels Bourbon Bacon Jam.

Street City Pub has big plans brewing inside its cozy walls. Over the past year, the ambiance has changed. There is a sliding glass walk-out to an urban patio on 6th Street. Venture past the entrance and through the “pub” area to a secret room with murals featuring the Cincinnati connector, the Aronoff Center’s main stage, and bourbon barrels. Extending from the Aronoff mural is an actual stage to feature Cincinnati’s local talent for musical evenings. Lounge seating is available, and a new bourbon display is in the making. When thinking of Street City Pub, remember to expect the Unexpected.

DESTINATION OF THE MONTH

It's travel time!

In April the CDC announced that fully vaccinated Americans can travel at low-risk to themselves and do not need to self quarantine upon returning. As world travel guidelines shift quickly, international travel requires a few more particulars but don't let that stop you!

The Caribbean is calling and here is why you should answer with a flight ticket!

Check out Mexico or the Dominican Republic. Neither require a negative Covid test to enter. Entry and exit forms along with health declarations are all done online.

All-inclusive Resorts in the Caribbean and Mexico are offering the safest and easiest travel experience.

For now, all travelers entering the US will need to acquire a negative antigen test before boarding the plane. Sounds like a hassle, right? Wrong if you chose the right hotel! Many resorts including the entire AMResorts luxury properties with Secrets, Breathless, Dreams, Now, Sunscape and Zoetry Resorts are offering the test on property at no cost to the traveler! The concierge sets up your test a day or two before you depart and

emails a copy of your negative result for you to present to the airlines. And even more important and impressive, if you would test positive, these resorts will keep you in a designated area of the resort for the 10-14 days of quarantine with meals delivered all at no cost! AMAZING!

Stay longer! If you are working from home why go back? Luxury all-inclusive resorts such as the one mentioned previously are pulling out all the stops to provide a safe and healthy vacation environment that doubles as a workstation. Boost your immune system with the vitamin D, fresh air, exercise, and positive energy your four walls at home cannot provide. ENJOY!!

HERE'S TO YOUR HEALTH

Never sweat again with MiraDry at Kurtzman Plastic Surgery

Would you finally like a permanent solution to your challenge with sweat and odor??? miraDry is the only noninvasive, FDA-cleared treatment that will free you from the bothersome problems of underarm sweat. By eliminating the sweat and odor glands, you can feel confident that your underarms will remain dry in any situation.

miraDry is for you, if you are: Bothered by underarm sweat... Tired of underarm stains in shirts... Seeking a natural, toxin-free lifestyle... Done feeling sticky at the end of the day... Wanting to be free from underarm sweat and feel clean all day long!!!!

The miraDry system uses proprietary miraWave energy that targets and destroys sweat and odor glands in your underarm. Once those glands are destroyed, they do not grow back so that means once they are gone, they are gone for good.

miraDry is an in-office procedure at Kurtzman Plastic Surgery! The procedure only takes about one hour. The patient likely won't feel anything during the treatment since the underarms will be numbed prior to treatment. After treatment, patients may experience swelling, soreness, tingling and numbness in the treated area. These sensations typically clear-up within a

few days to a few weeks.

After the procedure, patients can expect to have an immediate reduction in sweat. Sweat glands don't grow back so patients should experience results that last. The amount of sweat reduction you desire should be discussed with Dr. Kurtzman. As with any treatment, the results may vary from person to person.

Downtime for this procedure can be minimal to none. Most patients return to regular activity (like returning to work) immediately. Exercise and vigorous activity is typically resumed within several days.

If you're ready to eliminate excessive underarm sweating... then call Kurtzman Plastic Surgery at 513-891-4440 for a complimentary consultation with Dr. Lawrence Kurtzman.
