## COVER STORY

# Shen Yun Brings 5,000 Years to Cincinnati

**E**xquisite beauty from the heavens. Profound wisdom from dynasties past. Discover authentic Chinese culture, as Shen Yun Performing Arts, the world's premier classical Chinese dance and music company, comes to Aronoff Center in January.

Shen Yun, a New York-based company, was founded in 2006 by an impressive group of Chinese artists. Their dream was to create a renaissance for mankind's most ancient heritage. Today, their wish has become an international phenomenon.

Shen Yun performs in 150 cities worldwide. With breathtaking dances, gorgeous costumes, live orchestra, and dynamic backdrops, this is a show brimming with themes of courage, hope, and triumph of good over evil. Shen Yun is the world's only company depicting Chinese culture as it had

been before it was nearly destroyed by decades of communist rule.

Shen Yun features hundreds of handmade costumes—showcasing apparel from China's 5,000 years of history. Their exquisite colors blend seamlessly with the animated backdrops, instantly transporting the audience to another world. The animation also contains a few surprises, but those are best left for the performance.

At the end of a cold winter, Shen Yun's warm embrace of this ancient heritage is a great way to welcome in the new season, and is a highly accessible, enlightening, and entertaining experience.

Shen Yun at Aronoff Center Jan. 28-29.

# Freedom to travel!

**I**t's all open! The last frontier besides China opened their gates for visitors. Japan signifies that the world is ready for international travel when they eliminated ALL restrictions late last month. Whether you are going to Asia, or just something nearby like Cancun, this news offers a positive indicator that we have moved away from the pandemic paranoia onto travel freedom. You might notice airline prices will be a bit higher due to staffing shortages but don't hesitate to make your plans to visit the world. On a side note, Cincinnati! News Flash!! British Airways showed up at CVG to bring a direct flight to London! And Delta reinstated the direct to Paris from CVG this summer. While the world opens, a new study from Kayak shows that 70 percent of Americans who will be traveling this season are stressed by all the challenges that the busy airports will bring, including flight delays and long lines. But there are plenty of ways to help lessen these challenges without shelling out tons of money. I recommend TSA pre-check and Clear. Both are low cost and major time savers.
