COVER STORY

Cirque du Soleil CRYSTAL – A groundbreaking performance!

A breakthrough ice experience... CRYSTAL is Cirque du Soleil's 42nd creation and explores the artistic possibilities of ice for the first time. This unique production pushes boundaries of performance by combining stunning skating and acrobatic feats that defy the imagination.

Watch as world-class ice skaters and acrobats take their new frozen playground with speed and fluidity as they challenge the laws of gravity with never-before-seen acrobatics.

Follow our lead character, Crystal, on an exhilarating tale of self-discovery as she

dives into a world of her own imagination.

CRYSTAL invites you to suspend reality and glide into a world that springs to a colorful life with astounding visual projections and an original score that seamlessly blends popular music with the signature sound of Cirque du Soleil.

CRYSTAL features an international cast composed of figure, extreme and freestyle ice skaters, acrobats, musicians and a comic character. Eighteen different nationalities are represented in the cast.

EVENT OF THE MONTH

Shen Yun Brings 5,000 Years to Cincinnati

Exquisite beauty from the heavens. Profound wisdom from dynasties past. Discover authentic Chinese culture, as Shen Yun Performing Arts, the world's premier classical Chinese dance and music company, comes to Aronoff Center in February.

Shen Yun, a New York-based company, was founded in 2006 by an impressive group of Chinese artists. Their dream was to create a renaissance for mankind's most ancient heritage. Today, their wish has become an international phenomenon.

Shen Yun performs in 150 cities worldwide. With breathtaking dances, gorgeous costumes, live orchestra, and dynamic backdrops, this is a show brimming with themes of courage, hope, and triumph of good over evil. Shen Yun is the world's only company depicting Chinese culture as it had been before it was nearly destroyed by decades of communist rule.

Each year, the company debuts a new lineup of original music and choreography, ranging from classical Chinese dance to

traditional ethnic and folk dance styles to theatrical depictions of beloved stories.

Shen Yun features hundreds of handmade costumes—showcasing apparel from China's 5,000 years of history. Their exquisite colors blend seamlessly with the animated backdrops, instantly transporting the audience to another world.

Prepare for an experience that will take your breath away.

Shen Yun at Aronoff Center February 15-16. For tickets and more information, visit shenyun.com/cincinnati.
